

Stewart "Stu" Siebell

Senior Consultant
The Profit Builder Network

For the past ten years Stu has been running a successful consulting practice – Siebell Management Consultants, Inc. His personal style and professional experience have initiated a collaborative partnership with PBN.

Stu has been helping business owners emphasize two important objectives; sales growth and operational efficiency. His accomplishments are diverse and worth noting. He has helped early stage companies grow into the tens of millions in revenue; he has helped restructure & revitalize many failing organizations; he has facilitated M&A and multi-national joint ventures. And the list goes on.

The service offering depth Stu brings to PBN is significant. Areas that he has extensive professional experience include the following: Business Planning, Exit Planning, Equity Transfer, Organizational Design, Advisor Coordination, and Accountability & Tracking.

Stu's operational background includes various roles – Owner, CEO, Chairman, President, Senior Executive, and COO -- giving him a unique operational, sales & marketing perspective. Helping influence and thereby grow successful organizations is his passion. You will likely see Stu working just as diligently ten years from now providing advice / consultation derived from his 30 plus years of business acumen / vernacular.

With a BS and PHD in English Stu's passion outside work is growing youth by tutoring Science, Math and English. Other passions include horses, dogs, reading and continual personal growth and development.
